BRUNSWICK ACADEMY
Community Service Record

The Board of Directors of Brunswick Academy has instituted a mandatory requirement for ALL students entering Grades 9-12. Each student will be required to complete at least ten (10) hours of community service each year.

Community Service provides assistance to our local businesses and institutions while allowing students to become active participants within the same. It allows students to explore career interests.

Community Service affords students the opportunity to gain firsthand knowledge of the resources within the community and also to learn that they are a resource as well. It benefits our students through the rich learning experiences they gain as well as provides stronger student applications for college through the documentation of this volunteer work.

Mrs. Deborah Owen will serve as the contact person for the school. Please send this form to the Guidance Office when it is completed. It will be kept on file. **Be sure to keep a copy in a file at your home. By doing so, you will always be aware of the number of community service hours you have.**
