

Brunswick Academy - Fifth Grade Summer Reading Program

Students of Brunswick Academy entering 5th grade are required to read two books during the summer prior to their return to school. Have your child choose books he or she has not read before, and complete the included graphic organizers. These graphic organizers are due back to me on the first day of school, and will be counted as a grade.

I hope that you enjoy the wide selection of books on this list. Have fun reading!
