The report is to be typed in Times New Roman – 12 pt and placed in a folder. Please use the folders that require holes to be punched in the report; the other types will not hold the papers securely. Newly completed novel reports will not be accepted without previously graded reports. All reports will be handed in at the end of the second semester. If you wish to keep a personal copy of the reports, please save to a flash drive or your computer.

The following list contains the information to be included in your reports:

1. Title
2. Author
3. Original Publication Date
4. Background on the Author and the Literary Period
5. Theme
6. Setting
7. Point of View
8. Character Sketch of One Main Character

The report is to be written in paragraph form (including #'s 1, 2, and 3). Research is required for #4 and will probably be helpful in composing section #'s 5 and 7. Research will necessitate the inclusion of in-text citations, and a works cited page. MLA style is required.
