THE HONOR CODE OF BRUNSWICK ACADEMY

All students are required to uphold the Honor Code and PRIDE principles.

THE HONOR COUNCIL OF BRUNSWICK ACADEMY

All Upper School students and all eighth graders taking a credited class are to abide by the Honor Code that will be upheld by the Honor Council of Brunswick Academy.

NAME AND PURPOSE

1. The name of this organization shall be the Honor Council of Brunswick Academy.
2. The purposes of the Honor Council shall be to promote and encourage honesty among the students and to enforce the Honor Code.

THE HONOR CODE

As a student of Brunswick Academy, I realize that all I do must be above reproach. I will be honest with myself and with others and refrain from all acts of cheating, lying, stealing, and encourage others to follow these standards.

If found guilty of committing an honor violation, it is understood that I will be tried and subject to discipline by the Honor Council of this school.

Every student is required to write the following pledge on all tests, quizzes and graded assignments.

“I have neither given nor received any help on this (test, quiz, report, etc.) nor am I aware of any breach of the Honor Code that I shall not immediately report.”

I. The following are honor violations:

- A. Cheating/Attempted Cheating is representing someone else’s work as being one’s own or reproducing one’s own work without authorization to do so.
- B. Copying involves the use of (a) one’s own material (b) another’s material (c) crib notes (d) textbook (e) class notes during an examination without authorization to do so. (Note: Crib notes refer to notes brought to class for illicit use during examinations. If you have crib notes this will be considered cheating.)
- C. Collaboration is working with another person or persons in the execution of a test, quiz, report, paper, etc., except where joint effort is permitted or special regulations are made by the instructor. All work for which credit is sought must be performed by the individual student.
- D. Plagiarism consists of copying the language, ideas, and thoughts of another author and presenting this material as one’s own original work. (This matter will be left up to the teacher involved.) In other words, cheating involves using another’s work or dishonestly using one’s own material to improve his grade.
- E. Lying in regard to any person involved in a case, will result in severe punishment. This applies to the accused, witnesses, and Honor Council members.
- F. Stealing is taking or withholding property from the real owner with the intention of permanently or temporarily depriving the owner of his possessions. (Intent is not relative to deciding guilt or innocence, but may become a factor in determination of punishment.)
- G. Falsifying documents (forging signatures, changing grades on papers, tests, report cards, etc.) will be considered an honor offense.
- H. Failing to report an honor violation will result in punishment.
- I. If there is any question about any part of the Honor Code in a particular case, The

Honor Council and Administration/Advisor reserves the right to judge the case as an honor violation.

II. The following are penalties for honor violations:

All teachers are required to give a zero on all work involved in any and all honor code violations. **This grade will not be dropped nor will an additional grade be added.**

A. First offense for an honor violation will result in three (3) days of after school detention with a zero on the work involved in the violation. Second offense for an honor violation will result in three (3) days of out of school suspension. Third offense for an honor violation will result in the case being reviewed before the MDT team with probable expulsion.

B. Stealing may result in suspension or expulsion.

C. Lying during a trial by anyone involved will be considered a second offense.

D. A record will be kept of each high school student found guilty, until he/she graduates.

E. Any member of a Brunswick Academy organization (Student Council Organization, Class, Honor Council, Hi-Y, Honor Society, etc.) **found guilty** of any honor violation (cheating, copying, collaboration, plagiarism, lying, stealing, or failing to report an honor violation) shall be removed from that organization immediately.

F. No one convicted of two honor offenses will be considered for the position of junior marshal or membership in the National Honor Society.

III. Reporting Honor Violations is mandatory.

A. Any student or faculty member who has witnessed a breach of the Honor Code is responsible for reporting the violator to the Co-Chairpersons or Secretary of the Honor Council or to the Honor Council Sponsor or to the Honor Council class representatives.

B. The accuser shall fill out an Honor Violation form, sign it, and turn it in to the Co-Chairpersons or Secretary.

C. The accuser will remain unknown unless his identification is deemed necessary by the Honor Council.

D. Each violation must be reported by two (2) students and/or a teacher.

A. Every reported violator must appear before the Honor Council or the Co-Chairpersons, Secretary, and Sponsor.

B. The Honor Council advisor and 7/10 of all voting members must be present during the hearing of a case.

STUDENT RECORDS

A record is maintained for each student attending Brunswick Academy. This record contains identifying data pertaining to the student - name, birth date, social security number, address, standardized test scores, completed scholastic work and grades, attendance data, discipline and immunization records. Disclosure without consent of student records is limited to school officials with legitimate educational interests. Both natural parents, regardless of custody status, have the right of access to all student records in the absence of a court order to the contrary. Parents or eligible students who wish to have records released to specified individuals or organizations must request the release in writing. Records may be purged at any time to eliminate unnecessary data.

GRADING SCALE: Grades 1-12

A	93-100	superior
B	85-92	above average
C	77-84	average
D	69-76	below average
F	68 and below	failing

PLACEMENT POLICY

The programs and schedules of Brunswick Academy are designed to meet the needs of its students for academic and developmental experiences within a group setting. If, after a reasonable period of time, a student is not able to adjust to the demands of the class and the academics, or if there are special needs which the school is not able to meet, the student may be assigned to a different grade level or the parents may be asked to withdraw the student.

EXAMINATIONS

Examinations (written, oral, project-based, etc.) will be given each semester for grades 7-12 and will cover the course content covered up to that point. Examinations will be scheduled the last four days of the first semester and the last four days of the second semester. Exam periods will be a minimum of 90 minutes in duration. All students are required to take exams both semesters given for each course they are taking.

Seniors may exempt each second-semester exam for a course in which they have received an A for the year. Senior students who fail a second-semester exam in a course needed for graduation and as a result, fail the course, may request one re-exam. The grade for the re-exam will replace the original exam as the valid exam grade. A student who fails three or more courses must repeat his or her senior year in order to receive an Academy diploma.

REPORT CARDS

Report cards are maintained through an online school management system and are available for viewing through the parent portal. In addition to report cards being available online, printed report cards will be issued upon request. Report cards are mailed to parents at the end of the year if all financial obligations have been paid in full and all B.A. materials have been returned (books, uniforms, equipment, etc.).

HONOR ROLL AND HEAD OF SCHOOL'S LIST

A student achieves Honor Roll if he/she has earned no grade less than a B. Students shall be placed on the Head of School's List if no grade less than an A has been made. These lists will be published in the local papers. Certificates of Achievement will be awarded to

students in grades 1-5 at the end of the school year who achieve a GPA of a B or above in each subject at the end of the year. Students earning all A's for the first five six weeks will receive a Gold Seal on their Honor Roll certificate given at the end of the year.

MAKE-UP WORK

A student with an excused absence must make up work missed within 3 days after his/her return to school at a time agreeable to both teacher and student. After 3 days a "0" will be given unless extenuating circumstances are cleared through the office.

Exceptions: Students missing tests that were assigned prior to their absence must take the test on the day of their return. (For example: if a test is assigned on Monday for Wednesday and the student was present on the day assigned, however, missed Tuesday, then the student knew to be prepared. Also, if a student missed the day a test was assigned, however, attended class in between the initial assignment and the test, the student must take the test.)

Failure to make up work within the allotted time will change the grade from incomplete to "0" in the teacher's gradebook. All work must be made up within 3 school days after the six week ends unless special circumstances are approved by the faculty and administration.

WITHDRAWAL AND TRANSFER

Students who transfer from Brunswick Academy for various reasons should notify the Head of School immediately so that transcripts can be sent to their new school. Transcripts will only be sent if the Executive Board of Directors approves their withdrawal and all financial obligations have been paid in full to the point of withdrawal.

In order to receive a BA Academic diploma, students transferring in are required to successfully complete one BA Upper School English, Math, Science, Social Studies, and Elective approved by administration.

PROMOTIONS

Students are expected to achieve satisfactory completion of all subjects and to master those skills appropriate for the grade level which is being completed. Each individual's work shall be reviewed and decisions which are in the best interest of the student shall be made jointly between the teacher and administration. In K-Grade 2 a student is a candidate for retention if he/she fails Reading or Mathematics. A student in grades 3-7 is a candidate for retention if he/she has failed reading or math and one other subject or failed three subjects in a given year, or has failed any particular subject two or more years in succession. A student in 8th grade is a candidate for retention if he/she has failed three subjects. Upper School promotions and eventual graduation are based on an acquisition of credits accumulated from the 8th grade through 12th-grade year.

1. Promotion - Academic progress is satisfactory.
2. Placement - Academic progress is evaluated as acceptable for the individual.
3. Retained - The student needs to work another year at the same grade level.

Promotion and retention will be based on what is in the best interest of the student.

STAY CONNECTED

It is important for the student, staff and parents to stay connected. Our online school management system and the school website provide the most current contact information. The student and parent/guardian assigned BA email address will serve as a consistent means of communication during the entire time your child is enrolled. Student assigned BA email addresses are issued to students in Grades 5-12. Contact information for all staff members

can be found online or by calling the main office. All meetings or conferences should be scheduled in advance to avoid interrupting valuable instruction time.

PARTIES AND FIELD TRIPS

PreK - grade 5 parties may be planned at Halloween, Thanksgiving, Christmas, Valentines, St. Patrick’s Day, and Easter. These should be planned at recess or pullout period if possible.

All field trips should be educational in nature, coordinated with classroom instruction. A field trip request form must be filled out two weeks prior and submitted to the administrative office for approval. The eighth grade shall reserve the right to plan and execute an “end-of-the-year” trip.

No personal party invitations may be issued at school unless everyone in the classroom is included.

SENIOR TRIP

All students participating in the Senior Trip must be in “good academic and social standing.” Seniors must be passing all classes required for graduation. All senior year discipline records will be reviewed at the end of first semester. At any point a senior who is brought before the Multidisciplinary Team may have their Senior Trip privileges revoked. If a student is not allowed to participate in the Senior Trip due to disciplinary consequences, all monies involved in the Senior Trip will not be refunded.

PARENT/VISITOR GUIDELINES

Parents who wish to meet with school personnel must do so by appointment. The only entrance available for visitor use is the main entrance of each building. If a parent is at school to drop off or pick up a student, they must remain in the lobby area. Visitors will not be allowed to go the student’s classroom door and interfere with the classroom activity that is in progress. If the student is to be picked up, (s)he will be called down to the lobby area by the administrative office staff.

Visitors who intend to remain in the building will be provided with a visitor’s badge which they will be instructed to wear for the duration of their visit. Visitors to a school building, such as a parent or volunteer, will be issued a badge they will be asked to wear at all times. All personnel of the school will wear their issued identification badge at all times.

All visitors will be instructed to report back to the main office at the conclusion of their visit and will be asked to sign out of the building once they have concluded their visit.

In the event a special occasion or event necessitates that these procedures be relaxed to allow for easier ingress by visitors, a staff member will be posted at the door to assist visitors in proceeding directly to the appropriate destination within the building for the special event and special care will be taken to ensure that all visitors proceed directly to the special event locations.

In the event that a particular visitor refuses to comply with the above protocols, he or she will be asked to leave school property and/or the police will be notified, as appropriate.

CURRICULUM

Brunswick Academy’s curriculum follows a traditional approach that, in accordance

with our mission, prepares each student for success on whatever path they follow. While we provide a college preparatory program we recognize that all students will not desire to go on to college. We strive to provide a well-rounded education of the mind and body to prepare all students for life in our society. In addition to basic knowledge we foster critical thinking, reasoning, and expression skills. A major focus in all courses is on the ability to read and express one's self orally and in writing.

Lower/Elementary School

Pre-Kindergarten will be offered to children who are four years old on or before September 30. The Pre-Kindergarten operates on the regular school calendar. The child will attend five days a week from 8:23 A.M. to 2:50 P.M. The Pre-K curriculum is designed with social development and interaction as its primary objective. The program also will expose the children to the readiness skills necessary for successful kindergarten experience.

The kindergarten curriculum emphasizes emotional, social, and academic growth and progress. The present program offers a sequential phonetic approach to reading readiness. The math program allows the children to progress from recognizing basic shapes, comparing sizes, working with numerals to early stages of addition and subtraction. Due to the structure and demands of our program, the teachers, administrators and Executive Board of Directors have agreed that each child must be five on or before September 30 for consideration of entry into kindergarten for the school year.

Pre-K-4 classes are self-contained which affords a close working relationship between teacher and students. Classes in grades 5 are departmentalized which offers concentrated study in subject fields.

Middle School

Classes in grades 6-8 are departmentalized which offers concentrated study in subject fields. Eighth graders will receive one unit of credit toward graduation for each of the following subjects: Algebra I, Computer 8, Foreign Language, Algebra A, Intro to Business and P.E. 8. Also, students wishing to start Honors English in 9th grade must have a final average of a 95 or higher in English/Lit 8.

Upper School

The Upper School Curriculum is divided into three programs of study: the General Program, the Academic Program and the Honors Program.

Selection of a program of study for each individual student will be made cooperatively by students, parents, and Academy personnel. Selection will be made in the spring of the year prior to a student's entry into the 9th grade or in the case of a student transferring, prior to the student's attending classes.

The Academy's professional staff reserves the right to recommend a particular program of study for a student to the student and parents.

Within the particular program of study, the student is required to take a minimum of five subjects in grades 9-11 per year until his/her senior year, when he/she may opt to take a minimum of two subjects (four if participating in athletics) and leave school early to work in a bona fide job. A written request from the employer is required in the file of any senior who opts for this program.

Juniors and Seniors may take community college courses outside the Academy program; however, no course can be substituted for one offered at the Academy. Credits for on-line courses will be accepted with prior permission from the administration.

Students are assigned to classes and sections of classes by the administration within the

master schedule for the Upper School. Selection of teacher(s) and sections of class(es) by the student is prohibited. Class schedules of students, and any modification thereto, are subject to final review and approval by the administration.

Any changes in a student’s class schedule (electives) will be authorized only through the first five days of the academic session. Any changes, such as a withdrawal or transfer, thereafter will be recorded on the student’s permanent record with a zero for the remaining grading periods of the year. Any changes in policy will be subject to review and approval by the administration.

Upon completion of the requirements by Brunswick Academy for graduation, the student will be awarded a diploma in accordance with the specific program of study he/she has successfully completed.

Each specific class shown as a requirement or elective for a particular program of study carries a single unit of Upper School credit upon satisfactory completion by the student. One-half (1/2) unit credit can be earned corresponding to one semester of time spent in class.

Senior	15 or more units of credit earned

DUAL ENROLLMENT COURSES

Students interested in taking dual enrollment courses may do so through our partner-

ships with Southside Virginia Community College and Liberty University after successfully completing their sophomore year. These courses will be weighted eight points and are only available to students in the event that an equivalent class is not taught on the Brunswick Academy campus by a faculty member. Students will receive Southside Virginia Community College or Liberty University and Brunswick Academy credit for successful course completion; therefore, students must pay SVCC/Liberty tuition, fees, and must purchase college texts in addition to Brunswick Academy tuition and fees. It is the responsibility of the student and his/her parents to check with the colleges/universities to which transfer credit is desired to make sure the courses will transfer.

Southside Virginia Community College (SVCC)

The following classes are the “official” dual enrollment classes offered through Brunswick Academy and Southside Virginia Community College (SVCC). Students are recommended to have a “B” in the prior classes to the ones they desire to take. Students who want to take dual enrollment classes in their junior or senior years must have a 3.00 GPA and take a placement test administered by SVCC personnel.

REGULATIONS FOR GRADUATION

Valedictorian - Highest grade point average for 3 1/2 years. Candidate must seek an Honors or Academic diploma. The average is compiled as of the end of the first semester of the senior year.

Salutatorian - Second highest grade point average from either the Honors or Academic groups is eligible for this honor.

Honor graduates and Junior Marshals

1. Honor graduates must have a 95.00 average as of the end of the first semester of the Senior Year.

Junior Marshals - Averages are compiled as of the end of the first semester of the Junior year. Those chosen will be the eight students with the highest averages. In order to be eligible, a student must be formally accepted as a B.A. student prior to the first semester of his/her sophomore year. No one who has been convicted of two or more honor offenses can be considered for the position of junior marshal.

2. In order to be eligible for Valedictorian and Salutatorian honors, a student must be formally accepted as a B.A. student prior to 1st semester of his/her Junior year and remain in attendance 3 consecutive semesters until the grades could be averaged at the midterm of the Senior year.

PROGRESS REPORTS

Access to student grades is made available to parents through the parent portal of our online school management system. This portal provides parents the ability to track their

child's progress throughout the school year. The parent portal will remain open up until the day the six weeks ends at which time it will close to allow teachers adequate time for posting/reviewing final grades for the six weeks. The portal will reopen to parents once final grades are posted. At the end of first semester a letter will be sent to each parent of a student who is performing at the "D" or "F" level in one or more subjects.

ATTENDANCE REQUIREMENTS

The student must have been in attendance 83.33% of the total number of days in each semester in order to be issued a semester grade. Therefore, students are not allowed to miss more than 15 days first semester and 16 days second semester during the 2018-2019 school year. Attendance is transferable from another accredited school. A student not fulfilling the attendance requirement per course will receive the letter grade of "F" for the course for that semester. To be counted in attendance for the day a student must attend at least one full class period. Twenty minutes tardy (excused or unexcused) to a class is considered an absence. Excessive tardiness will not be tolerated.

Perfect attendance certificates are issued to students who have been present every day of the school year.

EARLY DISMISSAL

PreK-8

If a student is to leave school after being counted present, the parent must write a note stating when the student is expected to leave and who is to pick up the child. A parent should pick up or return students by reporting to the office. The Administration and the teacher need written information if there are individuals who are not permitted to pick up your child. When a student leaves school by any means other than his/her regular bus or with parents or siblings, a note written by parents must be presented stating when the student is expected to leave and who will be picking up the child. Primary, Elementary, and Middle School students must be signed out in the office.

PreK-8 students are not allowed to stay after school without adult supervision. A note stating the name of the supervising adult must be brought from home to the child's home-room teacher if the child is to stay after school. Arrangements must be made prior to coming to school.

Upper School

If a student is to leave school after being counted present, a parental note is required. Except in emergencies, telephone calls will not be accepted as an excuse for early dismissal. Any student who leaves the building without a pass will be guilty of skipping. Parents who pick up students or discharge students for doctor appointments, etc. must report to the Upper School office in person to excuse the student unless a note has been previously written.

Students who are being dismissed early must sign an early dismissal sheet, recording the time leaving, and have the Attendance Officer or Office Secretary initial the sign-out process. Failure to do so may indicate skipping. Students dismissed early must leave campus.

READMITTANCE TO CLASS

When a student returns to school after an absence, the student must bring a note outlining the reason for the tardy, absence, or early dismissal. Acceptable reasons include doctor or dentist appointments, work (requires following proper procedure), or death in the

family.

An unexcused absence will be issued to the student whose parents do not send a note. These absences will be followed up to see if the student is skipping.

Students who have received excused absences will be given a reasonable amount of time to make up their work.

PASSES

Students may not leave class or be excused from class except for an emergency unless they have prior permission from the office. A student pass will be issued and it will authorize the student to go to the place designated on the slip. The pass will contain the student's name, destination, and time left. An excessive lapse of time between the originating classroom and the destination or vice-versa will require an explanation from the student. Students who abuse the use of a pass will be written up and sent to the office for disciplinary action. Students should not visit with other students during class time except when authorized by a teacher or the office. Students found wandering the hallways will be assumed skipping class if they have no pass or an excessive amount of time has been taken since the student has left class and will be disciplined as such.

TARDINESS

Students are considered tardy if they are not in the classroom and ready to begin class when the tardy bell rings. If there is a legitimate reason for tardiness, it is the responsibility of the student to obtain an excuse from the previous teacher. For every 5 tardies (excused or unexcused) the student will be assigned one absence in that class period.

TEXTBOOKS

All textbooks are owned by the Academy and issued to students on the first day of the school year. Students are responsible for these books and liable for damage. If a book is lost the student must pay the cost of replacing the book. Each student must turn in his/her book in each class before taking the final exam. Report cards are not issued until all books are returned or paid for.

LOCKERS (Grades 6-12)

Student lockers are school property. The school retains the right to search any and all lockers when the administration feels there is justifiable reason for a search. Lockers will remain closed. If habitually left open, locker privileges may be revoked. A student is to use only the locker to which he or she has been assigned. The unauthorized switching of lockers will result in disciplinary action. Removable shelves are allowed. Students may not apply any stickers or make any changes that may damage the lockers.

PERSONAL PROPERTY

Neither the school nor its employees are responsible for any property of an individual which may be lost, damaged, or stolen. Students should not bring valuables or family "collectables" to school. Excess money is an added responsibility for the child and should not be brought to school. No student is to go into another student's locker or personal items without the permission of the owner of the locker. Students are not allowed to sell or trade items while at school.

A student's books are his/her responsibility. All books should be in assigned lockers before leaving school. Students whose books or personal effects are left in the hallway, on top

of lockers, in classrooms, gym, or on school grounds other than in their lockers after school hours will be turned in to the office and appropriate disciplinary action taken. No rolling bookbags are allowed.

STUDENT EMAIL

Brunswick Academy provides e-mail accounts to students in grades 5 through 12, parents, and faculty/staff as an important resource tool for communication. As a part of Brunswick Academy's Google Apps domain, these accounts will be used to promote communication and collaboration between student-to-staff, parent-to-staff, and student-to-student. Brunswick Academy reserves the right to scan and monitor student email use. As comparable to school lockers, school provided email accounts will be treated as school property, subject to control, inspection, and monitoring. Students will be held accountable for any and all activity associated with their accounts. Failing to adhere to the Acceptable Use Policy or inappropriate use will result in disciplinary action. All Brunswick Academy students must sign and accept this policy before they are given access to the school's Google Apps domain or to the Internet in general. Use of these services is a privilege. Upon graduation, withdrawal, or disciplinary action, these services offered through Brunswick Academy's Google Apps domain will be terminated, and accounts will be deleted.

ELECTRONIC DEVICES

Students are permitted to have electronic devices, such as cell phones, ipods, tablets, headphones, etc. at school as long as these items do not interfere with the instructional day. They are to be kept out of sight or in designated areas. If any of these devices should be needed for instructional purposes (ex. using cell phone or other electronic device for taking notes), permission from the teacher must be granted.

Students are not allowed to use cell phones or other electronic devices to text, take pictures and videos, or post to social media at school during school hours or on school sponsored events. Improper use of cell phones or other electronic devices will necessitate disciplinary actions.

SOCIAL MEDIA

Comments related to Brunswick Academy, its employees, staff, and events related to BA, should always meet the highest standards of discretion. Your online behavior should reflect the same standards of honesty, respect and consideration that you use face-to-face.

When posting, even on the strictest settings, students and parents should act on the assumption that all postings are in the public domain. Before posting photographs, thought should be given as to whether the image is considered appropriate. If it would seem inappropriate to put a certain photograph on the wall, then it should be considered inappropriate to post online.

Under no circumstance should offensive comments be made about students, faculty/staff, administrators or the Academy in general. Negative comments about people may amount to cyber-bullying and could be deemed a disciplinary offense. Posts and comments should help build and support the school community. Do not comment on or forward unsupported information, e.g. rumors. Before posting photographs and videos of others, permission should be sought from the subject.

DISCIPLINE

The Brunswick Academy faculty, staff, and administration care about each student and want to provide a safe, wholesome, positive atmosphere for learning. The Discipline Rubric allows students and parents to understand what is expected while the student is enrolled at Brunswick Academy. Our goal is for the student to learn to make good choices about behavior through communication, modeling, and offering opportunities for reflection. Our discipline system is one that is consistent, progressive in nature, and focuses on helping students learn to change their behavior and take responsibility for the choices they make. To ensure that the discipline policy is easy to understand and consistent, we will be utilizing a rubric system. Actions to be taken by the teacher or administrator include, but are not limited to the following:

OVERVIEW OF DISCIPLINARY MEASURES

The Time Out Option: The student may be removed from the classroom to a supervised location for a brief time during the class period to reflect on disruptive behavior. (Pre K- 5 ONLY)

Lunch Detention – Student will serve detention during the lunch period in a designated location under faculty/staff supervision. When serving detention, a student must bring a packed lunch from home. Food deliveries will not be allowed.

Class Only Probation – Student is allowed to attend class and will serve lunch detention. Student will NOT be allowed to attend any school sponsored events. This includes but is not limited to games, field trips, dances, practices, or fundraisers.

In-school Suspension – Isolation (ISS) - The student will be removed by isolating him/her from the school environment. During this time a student will be isolated in a room and allowed to complete the daily work that would have been assigned if he/she were attending class. At the end of the day, the completed work will be turned in to each teacher and graded. Failure to complete assigned work will result in a “0.” Student will need to bring packed lunch. Student will NOT be allowed to attend any school sponsored events. This includes but is not limited to games, field trips, dances, practices, or fundraisers.

Student Probationary Periods - This is a period of time where further disciplinary actions by the student could result in suspension or possible expulsion. During this probationary period students are NOT allowed to participate in any school sponsored events.

After School Detention – Students will be detained after school hours for a period of ninety minutes (from 3:00 pm to 4:30 pm). Student must report to the office at 3:00 pm and must be signed out at the conclusion of detention by a parent/guardian. Student drivers may sign themselves out. No one will be excused except for a doctor’s appointment; work is not an excuse. If the student does not attend on the assigned date, he/she will be required to serve the next two detention periods. Failure to do so will result in in-school suspension, one day for every day of detention missed. Student will NOT be allowed to attend any school sponsored events during their detention period. This includes but is not limited to games, field trips, dances, practices, or fundraisers. A \$25 fee will be charged for each day.

Out-of-school Suspension (OSS) - When a student is suspended out-of-school, that student is considered “unexcused” for all classes missed. All work sent home by the teacher(s) must be returned the day the student returns to school. All assessments must be completed within 3 school days of a student’s return. Suspension period begins at the end of the school day on the day a student has been suspended unless the student has to be

immediately removed from the Academy grounds. During this time the suspended student will be prohibited from participating in any and all school-sponsored activities occurring during the duration of the suspension. Each parent will be contacted by phone first, or a letter if not reached, of the reason and conditions of the suspension. The suspension period is considered over at 8:23 A.M. on the day the student returns.

Expulsion - A student will be permanently removed from the Academy in severe or habitual disciplinary cases. Once expelled the child will NOT be allowed to attend any school sponsored events.

Emergency Expulsion - A student will be removed immediately from school provided there is good and sufficient reason to believe that the student's presence poses an immediate and continuing danger to the student, classmates, school personnel, or is an immediate and continued disruption of the class, subject, activity, or educational process of the school.

The above does not limit the administration from resorting to other actions if deemed necessary. All disciplinary actions will become part of the student's record.

BULLYING

The definition of bullying adopted by Virginia's 2013 General Assembly (§ 22.1-276.01 the Code of Virginia) is the following:

“Bullying means any aggressive and unwanted behavior that is intended to harm, intimidate, or humiliate the victim; involves a real or perceived power imbalance between the aggressor or aggressors and victim; and is repeated over time or causes severe emotional trauma. ‘Bullying’ includes cyber bullying. ‘Bullying’ does not include ordinary teasing, horseplay, argument, or peer conflict.”

Bullying means systematically and chronically inflicting physical hurt or psychological distress on another person. Bullying involves physical and emotional behaviors that are intentional, controlling, and hurtful, thus creating harassing, intimidating, hostile or otherwise offensive educational environments. Bullying behaviors include unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with an individual's school performance or participation; or creates a disruption in the educational environment.

Bullying is characterized by the following:

- Intentionally aggressive behavior designed to inflict harm;
- Repetitive behavior planned into the future;
- Interpersonal relationship marked by an imbalance of power.

Bullying behavior often occurs without apparent provocation, and is considered a form of abuse (i.e., peer abuse). Such peer abuse may be manifested both openly and directly or subtly and indirectly. Bullying may be communicated directly, in person, or via other communication method, including via technology (cyberbullying). Bullying may be physical or emotional.

Bullying is addressed under our Discipline Rubric -- please see rubric for details. Throughout the school year, the staff and students will be educated on how to identify, prevent and report incidents. Students are instructed to share information with faculty/staff, administrators, and/or Bully Prevention Coordinator if they witness an incident or they feel they have been a victim of bullying.

6. No food or drinks allowed.

It is the opinion of administration and S/H teachers that an atmosphere will be maintained in each S/H whereby each student can complete work without a disturbance.

ATHLETICS

Refer to the BA Athletic Handbook for more information or clarification. The Academy offers students the opportunity to participate in varsity and junior varsity team sports of football, basketball (boys and girls), baseball, softball, volleyball, coed soccer and cross country. Golf on the varsity level will be offered in the spring. Participation requirements vary based on the sport - please see Athletic Handbook.

No student may participate in any school sponsored athletic activity without a doctor's physical on file with the coach or A.D., and proof of some type of hospitalization coverage.

A student who transfers to the Academy and leaves his/her school in good standing will be accepted as eligible for a full grading period or until Academy grades can be awarded for work completed. However, at the end of the period, he/she must meet the VCC standard in order to remain eligible.

No student may participate in any athletic event if certain disciplinary actions have been issued (see Discipline Rubric). Weekends are no exception.

V.C.C. CODE OF SPORTSMANSHIP

Sports exist in our schools because we assume that they are good for our students; good in the sense that they are enjoyable; good in the sense that they are educational; good in the sense that they help keep our bodies fit; good in the sense that they provide a healthy outlet for our energies.

In order for sports to remain “good” for us, we have a code of sportsmanship to guide us, to remind us, to help us conduct ourselves in an appropriate manner. The “code” implies an expectation for all coaches, players, cheerleaders, and spectators. That code encompasses a few simple basic ideas.

- Courtesy and respect for the rules, opponents, guests and officials.
- Enthusiasm for playing the game and modesty and graciousness in victory or defeat.
- Fairness and responsibility to the sport, to our opponents, to our respective schools.

Specifically:

1. We shall not take part in any actions that are derogatory to our opponents or the officials.
2. We shall respect the property and reputation of our opponents.
3. We shall refrain from using noisemakers and shall remain quiet during free throws at basketball games.
4. We shall demonstrate good sportsmanship by shaking hands at the end of each athletic contest.

To be effective these ideas must be clearly expressed to Heads, Athletic Directors, Coaches, Athletes, Students and Spectators. Players and cheerleaders must be held accountable for their actions if they wish to participate.

Spectators must not be permitted to remain at a contest if their behavior is not acceptable. All should assist in the encouragement of proper behavior at an athletic contest.

LIBRARY SERVICES

1. The Academy library is open during school hours.
2. Student cooperation with the librarian is required in the care of the library materials and the return of same to the library on time.
3. Any materials leaving the library must be checked out at the desk by the librarian. Check-out is for a two-week period. Books must be renewed after this time. It is not necessary to bring the books in order to renew them.
4. Materials lost or damaged must be paid for by the borrower. Costs will be determined by the replacement value of the materials.
5. Remember that the borrower is responsible for the materials he/she checks out. If another student needs the book, it must be returned to the library so that student can check it out in his/her name. The book will be placed on reserve for the student.
6. Books in the Reference section may not be checked out except by special permission of the librarian.
7. All magazines must be checked out before being taken from the library. Current issues may be checked out overnight. Older issues may be checked out for two weeks. Lost magazines will cost \$5.00 per issue.
8. Computer users must sign in at the computer station when using research materials. Students wishing to use the Internet must have an Acceptable Use policy signed and notarized. This may be obtained from the librarian.
9. Only those S/H students needing to use library materials will be allowed to come to

the library. A library pass must be signed by the librarian and signed by your S/H teacher. Anyone abusing the privilege of coming to the library will be sent back to S/H and disciplinary action will be followed.

10. Students needing copies made must have them made in the library rather than the office. The cost for copies will be paid to the librarian.

IMMUNIZATION REQUIREMENTS

All students (PS-12) entering B.A. for the first time must present to the school before the first day of attendance State Health Form #MCH 213G which has been completed and signed by a physician stating that the student is adequately immunized. All students entering B.A. must also submit a copy of their state birth certificate and Social Security Card. These three documents become a part of the student's permanent cumulative record.

Minimum Immunization Requirements for Entry into School and Day Care (requirements are subject to change):

1. 4 DTP or DTaP – at least one dose of DTaP or DTP after 4th birthday unless received 6 doses before 4th birthday. Effective July 1, 2014, a minimum of 4 TDaP/TDP booster is required for all students entering 6th grade.

2. 4 Polio Vaccine – at least one dose after 4th birthday.

3. Hib Vaccine - this vaccine is required ONLY for children up to 60 months of age. A primary series consists of either 2 or 3 doses (depending on the manufacturer). However, the child's current age and not the number of prior doses received govern the number of doses required. Unvaccinated children between the ages of 15 and 60 months are only required to have one dose of vaccine.

4. Hep B Vaccine: A complete series of 3 doses of Hepatitis B vaccine is required for all children. However, the FDA has approved a 2-dose schedule ONLY for adolescents 11-15 years of age AND ONLY when the Merck Brand (RECOMBIVAX HB) Adult formulation Hepatitis B Vaccine is used. If the 2-dose schedule is used for adolescents 11-15 years of age it must be clearly documented on the school form.

5. 2 Measles – 1st dose on/after 12 months (365 days) of age; 2nd dose prior to entering kindergarten.

6. 1 Mumps – on/after 12 months (365 days) of age.

7. 1 Rubella – on/after 12 months (365 days) of age.

8. 1 Varicella – to susceptible children born on/after January 1, 1997; dose on/after 12 months (365 days) of age.

The immunization form becomes a part of the student's permanent cumulative record. A student is exempt only for religious or medical reasons, but, in case of an outbreak of any of the above diseases, such students would be excluded from school until all danger is passed. All students starting Pre-K or Kindergarten are required to have a preschool physical examination in addition to the immunization record.

GUIDELINES FOR COMMUNICABLE HEALTH CONCERNS

A student should not be sent to school when he/she:

1. has a temperature one degree higher than normal (must be fever-free without fever-reducing medication for 24 hours before returning to school).

2. has an upset stomach (diarrhea and/or vomiting).

3. has severe congestion or excessive coughing.

4. has any indications of conjunctivitis (pink-eye [red eyes, discharge]). Students must

stay out of school until seen by a doctor and the proper prescription used for 2-3 days. (Eyes must be clear before returning to school.)

5. has lice. Students must use medicated lice shampoo; articles of clothing and personal belongings must be treated before returning to the classroom. Brunswick Academy may require proof of treatment to limit the spread of lice to others.

MEDICATION POLICY

1. Over-the-counter and prescription medication will be given to a child only with written authorization from the parent or doctor. The Medication Consent Form must be completed and on file at school.

2. Health care providers are required to complete the Medication Consent Form for all prescription/long-term medications that must be administered to your child during school hours.

3. All medication must be in the original container with the prescription label and **directions attached.**

4. **Medication must be brought to school and picked up by an adult.**

MARRIED STUDENTS

The Academy will not enroll or admit married students without the special permission of the Executive Board of Directors. Students who marry while attending the Academy must obtain written permission from the Executive Board of Directors before resuming attendance. All tuition obligations must be met.

PREGNANT STUDENTS

The Academy does not admit pregnant individuals. Any student who becomes pregnant must cease attendance and unenroll as soon as it is determined by a physician that she is in such condition. All tuition obligations must be met. The student may apply for re-admission once a physician has certified that she is no longer pregnant.

DRUGS AND ALCOHOL

Brunswick Academy is alcohol and drug-free. The school recognizes that the use of illicit drugs, unlawful possession and use of alcohol is harmful and a serious health problem. It is expected that students shall not possess, use, manufacture, transfer, conceal, sell, attempt to sell, deliver or be under the influence of narcotics, alcohol, other drugs, or materials/substances represented to be a drug. Our policy also covers prescription medications that are distributed illegally. This policy will be in effect on property owned, leased or maintained by BA and at all school sanctioned activities, on and off campus, in vehicles used to transport students to and from school or at other school related activities.

Students in violation of this policy will be subject to appropriate discipline procedures, up to and including sanctions for expulsion and referral for prosecution to be imposed on students who violate this standard of conduct.

BA reserves the right to require students to submit to mandatory drug testing. Random drug testing may also be required for student athletes.

TOBACCO

Smoking or the use of other tobacco products, including E-Cigarettes and Vapor Devices, shall be prohibited on school property. In addition, all students, regardless of their age, shall not be in possession of tobacco products on school property, in buildings or dur-

ing school sponsored events.

WEAPONS

One of our primary concerns is to provide a safe environment for faculty, staff, and students. It is a violation of school policy and federal/state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities. This includes all school sponsored events.
