

Brunswick Academy
Community Service Record

The Board of Directors of Brunswick Academy has instituted a mandatory requirement for ALL students entering grades 9-12. Each student will be required to complete at least ten (10) hours of community service each year. The graduation requirement is 40 hours with at least 10 of those completed the Senior year.

Community Service provides assistance to our local businesses and institutions while allowing students to become active participants within the same. It allows students to explore career interests, gain firsthand knowledge of the resources within their community, and discover they are a resource as well. Community Service benefits our students through the rich learning experiences they gain as well as provides stronger student applications for college/scholarships through the documenting of this volunteer work.

Mrs. Cassandra W. Smith will serve as the contact person for Brunswick Academy. Please send this form to the Guidance Office when it is completed. The students' hours will be documented electronically as well as kept on file in their student records.

Student's Name _____
