

# Eighth Grade Supply List 2020-2021

**\*We completely understand if you are unable to find some of the supplies listed (such as hand sanitizer, disinfecting wipes, etc.) due to the pandemic.**

Parents and Students,

Below is the supply list for upcoming eighth graders. It has been broken down by subject in hopes to make buying supplies easier. This format should also help students to be more organized on the first day of school. All students must have an assignment pad and a pocket folder to help organize homework going home and coming back. We hope you have a great summer!
