BRUNSWICK ACADEMY Community Service Record

The Board of Directors of Brunswick Academy has instituted a mandatory requirement for ALL students entering Grades 9-12. Each student is required to complete at least ten (10) hours of community service each year. The graduation requirement is 40 hours with at least 10 of those hours completed in senior year.

Community service aids our local businesses and institutions while allowing students to become active participants within the same. It allows students to explore career interests. Community service affords students the opportunity to gain firsthand knowledge of the resources through the rich learning experiences they gain as well as provides stronger student applications for college through the documenting of this volunteering work. The community service should be documented below.

Mrs. Paige Crewe will serve as the contact person for the school. Please bring/send this form to Mrs. Crewe when it is completed. It will be kept on file. It is also recommended that you keep a file of copies of completed forms.
