

Financial Aid

Brunswick Academy's goal is to offer students financial aid who are in good standing both academically and socially. We will do our best to help families and provide students the opportunity for a great education.

To apply for financial aid, the student must be registered and enrolled in Brunswick Academy. Applications should be submitted at www.solutionsbysss.com by April 3, 2023. The school code for B.A. is 1911.

The Brunswick Academy Financial Aid Committee will meet mid-April. Once applications are reviewed an award letter will be sent to the family by May 1, 2023.
