

Sixth Grade Supply List 2026-2027

Parents and Students,

Below is the supply list for upcoming sixth graders. It has been broken down by subject in hopes to make buying supplies easier. This format should also help students to be more organized on the first day of school. While Google Classroom will be used, all students must have an assignment pad and a pocket folder to help organize homework going home and coming back. We hope you have a great summer!
