

Seventh Grade Summer Reading Program 2026-2027

Brunswick Academy students entering grade seven are required to read two books during the summer prior to their return to school. **All students will read the required book, *Wolf Hollow*, by Lauren Wolk. The class will discuss this book and complete a written evaluation (test) during the first week of school.** Students will also write a report on a specific literary element of *Wolf Hollow* when they return.

The second book may be chosen from the book list below. Please choose a book your child has not read before. This book will be used for a second assignment later in the 1st semester.

Grade Seven Book List
